DIRT BAG BARRIER™

**NO WATER
SANDBAG
READY**

Product Code: SBDBBORA

THE DIRT BAG BARRIER™

This innovative barrier can be stabilised with sand bags, dirt or any other material when water is not available.

- ▶ Barriers are interlocking to form lengths required.
- ▶ Can be **stacked** compactly to save on **valuable space** as they **nest** into each other.
- ▶ Standard pallet size in length; two stacks will fit on a pallet.
- ▶ Suitable for sandbag or shovels of dirt if further stability is required, **eliminating the need for filling or emptying with water.**
- ▶ Easily handled by one person, **only weighs 11kg.**
- ▶ **Reflective material** may be applied for added visibility.
- ▶ Optional signs available for insertion into the top of the barrier.

STACKABLE
